**American Indian Literature** Kimberly Wieser-Weryackwe,2025-07-10 Discover the essential people works movements and themes in American Indian literature American Indian literature is a varied and vibrant collection of Indigenous artistic expression American Indian novelists poets essayists and critics have over the last four centuries asserted powerful forms of intellectual and artistic sovereignty writing in English while building on discrete tribal oral traditions and forms of storytelling This encyclopedia introduces readers to the key historical and contemporary figures in American Indian literature and their defining works From the fiery sermons of Methodist minister William Apest to the Pulitzer Prize winning novel House Made of Dawn by N Scott Momaday to the critically acclaimed and commercially successful novels of Louise Erdrich this book illustrates the indelible and influential imprint American Indians have on the landscape of American letters Readers are also introduced to the key themes and context of American Indian literature exploring how it is inextricable from American literary history the American literary canon and the narrative of American history not on the fringes of the American experience but central to it

**Religion, Women of Color, and the Suffrage Movement** SimonMary Asese A. Aihokhai,2024-04-08 The year 2020 marks the centenary of the passing of the 19th Amendment that allowed for women in the United States to vote The strategic struggle of women demanding equal dignity and the right to vote in the United States helped to shed light on the systemic evils that have plagued the collective history of the country Ideologies of racism genderism classism and many more were and continue to be used to deny women their dignities both in the United States and in other parts of the world This work sheds light on the intersectionality of religion class gender philosophy theology and culture as they shape the experiences of women especially women of color A fundamental question that this volume aims to address is What does it mean to be a woman of color in a world where systems of erasure dominate The title of this volume is meant to showcase a deliberate engagement with the uncelebrated insights and perspectives of women of color in a world where systemic discrimination persists and to

articulate new strategies and paradigms for recognizing their contributions to the broader struggles for freedom and equity of women in our world
