Footnotes To Dorchester History

Thomas Clarke Edwards

Footnotes To Dorchester History:

Footnotes to Dorchester History Walter E. Huelle, 1969 **The Disappearing Islands of the Chesapeake** William B. Cronin, 2005 An appendix documents the many small islands that have dropped entirely from view since the seventeenth century

Handbook of the Linguistic Atlas of the Middle and South Atlantic States William A. Kretzschmar, William A. Kretzschmar Jr., 1993-09-15 Who uses skeeter hawk snake doctor and dragonfly to refer to the same insect Who says gum band instead of rubber band The answers can be found in the Linguistic Atlas of the Middle and South Atlantic States LAMSAS the largest single survey of regional and social differences in spoken American English It covers the region from New York state to northern Florida and from the coastline to the borders of Ohio and Kentucky Through interviews with nearly twelve hundred people conducted during the 1930s and 1940s the LAMSAS mapped regional variations in vocabulary grammar and pronunciation at a time when population movements were more limited than they are today thus providing a unique look at the correspondence of language and settlement patterns This handbook is an essential guide to the LAMSAS project laying out its history and describing its scope and methodology In addition the handbook reveals biographical information about the informants and social histories of the communities in which they lived including primary settlement areas of the original colonies Dialectologists will rely on it for understanding the LAMSAS and historians will find it valuable for its original historical research Since much of the LAMSAS questionnaire concerns rural terms the data collected from the interviews can pinpoint such language differences as those between areas of plantation and small farm agriculture For example LAMSAS reveals that two waves of settlement through the Appalachians created two distinct speech types Settlers coming into Georgia and other parts of the Upper South through the Shenandoah Valley and on to the western side of the mountain range had a Pennsylvania influenced dialect and were typically small farmers Those who settled the Deep South in the rich lowlands and plateaus tended to be plantation farmers from Virginia and the Carolinas who retained the vocabulary and speech patterns of coastal areas With these revealing findings the LAMSAS represents a benchmark study of the English language and this handbook is an indispensable guide to its riches

Bound for the Promised Land Kate Clifford Larson, 2009-02-19 The essential richly researched biography of Harriet Tubman revealing a complex woman who led a remarkable life one that her race her sex and her origins make all the more extraordinary The New York Times Book Review Harriet Tubman is one of the giants of American history a fearless visionary who led scores of her fellow slaves to freedom and battled courageously behind enemy lines during the Civil War Now in this magnificent biography historian Kate Clifford Larson gives us a powerful intimate meticulously detailed portrait of Tubman and her times Drawing from a trove of new documents and sources as well as extensive genealogical data Larson presents Harriet Tubman as a complete human being brilliant shrewd deeply religious and passionate in her pursuit of freedom A true American hero Tubman was also a woman who loved suffered and sacrificed Praise for Bound for the Promised Land Bound for the Promised Land appropriately reads

like fiction for Tubman's exploits required such intelligence physical stamina and pure fearlessness that only a very few would have even contemplated the feats that she actually undertook Larson captures Tubman's determination and seeming imperviousness to pain and suffering coupled with an extraordinary selflessness and caring for others The Seattle Times Essential for those interested in Tubman and her causes Larson does an especially thorough job of uncovering relevant documents some of them long hidden by history and neglect The Plain Dealer Larson has captured Harriet Tubman's clandestine nature reading Ms Larson made me wonder if Tubman is not in fact the greatest spy this country has ever produced The New York Sun
