## **For And Against The Moon Blues Yells And Chuckles:**

**The Order in Which We Do Things** Tom Wayman, 2014-03-24 Tom Wayman's poetry has been published around the world to great acclaim. Wayman is one of Canada's most prolific and public poets and his writing since the 1960s has been by turns angry, engaged, hopeful, tender, and hilarious. His voice and persona are his alone but simultaneously ours too. His recurring themes—work, mortality, love, lust, friendship, the natural world—make his work a poetry of human inevitabilities, a poetry that exults in the inevitability of seeing poetry in the everyday. Wayman's craft is poesis from the Ancient Greek to the modern, making a change, making a difference, making a ruckus, making the most of our time. His working life has always been inextricable from his writing; one of his poems offers an honest and candid consideration of the ideological underpinnings, practical realities, and subtle beauties of a life lived on job sites and picket lines, in union halls, classrooms, and book-stuffed offices, and on the page itself. *The Order in Which We Do Things* is a collection of more than thirty of Wayman's best poems, selected and introduced by Owen Percy. Percy's introduction explores the genesis of Wayman's print persona and contextualizes his politically engaged conversational voice within the pantheon of its various publics. In his afterword, *Work and Silence*, Wayman reflects on his more than forty years in print as a work poet and underlines poetry's sustained power to engage readers, invite solidarity, and stoke the fires of critical resistance to the order in which we do things.

**Catalog of the Gerald K. Stone Collection of Judaica** Gerald K. Stone, 2021-01-05 Gerald K. Stone has collected books about Canadian Jewry since the early 1980s. This volume is a descriptive catalog of his Judaica collection, comprising nearly 6,000 paper or electronic documentary resources in English, French, Yiddish, and Hebrew. Logically organized, indexed, and selectively annotated, the catalog is broad in scope, covering Jewish Canadian history, biography, religion, literature, the Holocaust, antisemitism, Israel, and the Middle East, and more. An introduction by Richard Menkis discusses the significance of the catalog and collecting for the study of the Jewish experience in Canada. An informative bibliographical resource, this book will be of interest to scholars and students of Canadian and North American Jewish studies.

*For and Against the Moon* Tom Wayman, 1974 Tom Wayman's poetry is tough, combative, and often comic. Strongly narrative and autobiographical, the poems tell of logging camps, the backstreets of Vancouver, battles with the Unemployment Insurance Commission. They also tell of the intimacies of love and the excruciating and ironic gap between the working world and the world of poetry, a gap which Wayman bridges with the greatest integrity. The mood and landscape of the West Coast pervade the collection and are evoked in the most overwhelming lyrical beauty. This is a substantial collection with major new poems and sequences of poems. Wayman's remarkable range of tone and mood has already been shown in his first book, *Waiting for Wayman*, which received universally enthusiastic reviews. *For and Against the Moon* reasserts his reputation as a writer of powerful, subtle, and humane poetry.
