Hidden Journey:

The Desert Encampments Alexander Hool, 2021-06-27 What happened to the Jewish people in the forty years of wanderings between the giving of the Torah and their entry into the Holy Land Where did they go and what was the purpose of these destinations The Torah goes into very great detail about the travels and events that took place during these years but the time place and specifics of many of the events have remained hidden between the profound words of the verses leaving us with a blurred picture and understanding of this crucial period in Biblical and Jewish history In yet another fascinating and eye opening study bestselling author Rabbi Alexander Hool fortified with detailed mapping and satellite imagery combines a meticulous study of the text with a plethora of detail gleaned from diverse Rabbinic sources in a fresh and exciting attempt to unlock the subtle and cryptic Scripture and fathom the events the journeys and the significance of the desert encampments

Principles of Wild Success Radical Passion Andrew Harvey, 2012-10-23 This culmination of award winning author Andrew Harvey's life's work bridges the great divide between spiritual resignation and engaged spiritual activism A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom it is a wake up call to put love and compassion to urgent focused action According to Harvey we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration a return to the heart centered way of the Divine Feminine the words of the mystics throughout the ages and the cultivation of the nonviolent philosophies of Gandhi Nelson Mandela Aung San Suu Kyi and the Dalai Lama Harvey's concepts of radical passion and sacred activism fly in the face of restraint of pessimism of denial of all that is inhumane fusing the mystic's passion for God with the activist's passion for justice and for healing the division between heaven and earth heart and will body and soul prayer and action Sacred activism asks that we engage deeply on a personal spiritual and political level so as to become a fully empowered fully active and contemplative humanity that can turn tragedy into grace and desolation into the opportunity to build and co create a new world Unlike many spiritual books Radical Passion does not veil the dark with artificial hope It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible right now and in the future

LifeQuest Mark Chironna, 2015-02-04 Move from Unconscious Living to Wide Awake Destiny Have you taken a leap of faith in life only to discover that you have crossed an invisible threshold that seems to have launched you into an unfamiliar place where nothing looks or works the way it used to Do you feel stranded on strange seas without a map or a compass Does it feel as if you are drifting through life without a rudder or as if you are rowing hard but getting nowhere fast hitting stronger more contrary winds than you anticipated Do you feel stuck between a former somewhere to which you cannot return and a new somewhere that you cannot seem to reach Welcome to the gap You are living in a messy but miraculous patch of real estate albeit in the unstable element of the baptismal waters of life's transitions that lies between your current reality and the location of your desired destiny Traversing this gap is a vital step in the journey of all human beings regardless of their race gender or creed The assumption that God is in control of absolutely everything in our life will be challenged as we enter the gap to find that this notion isn't necessarily so Rather the choices we make determine the outcomes we receive When you arrived on this planet you weren't handed a script to memorize and follow You have had to walk by faith from the moment you learned to put one foot in front of the other You were surely created with a grand design in mind one that includes your capacity to invoke evoke and provoke personal destiny Calling your destiny into being requires your intentional participation and cooperation Through LifeQuest seasoned people helper semiotician professional certified coach and master consultant Dr Mark Chironna will guide you in charting a course for your life's journey He will help you to ask the right questions encourage you to explore the mysterious gap between your current reality and your future destiny and show you that change is not your enemy Get started on your LifeQuest today
