God has two purposes for you To believe in Jesus and then to become like Jesus This book focuses on the latter Though we cannot attain such perfection John said that followers of Jesus should live their lives as Jesus did 1 John 2 6 NLT The process of becoming like Jesus is the work of the Holy Spirit but the Spirit does not transform us without our cooperation The premise of this book is that we enable the Spirit to make us like Jesus by cultivating seven habits The seven habits are derived from Luke s description of the first church in Acts 2 42 47 Luke was an honest historian who frankly recorded the sins and strife of the early church yet this passage is thoroughly positive In it he mentions seven habits practiced by that ideal church This book describes those habits including practical suggestions for how to develop each This book is titled *7 Habits for a Rich and Satisfying Life* because our heavenly Father loves us and wants what s best for us We will find fulfillment in life as we fulfill his good design for us Jesus said I came that they may have life and have it abundantly John 10 10 ESV or as it says in the New Living Translation My purpose is to give them a rich and satisfying life **Moments with the Master** Ed McInnis,2022-11-03 What is a non devotional Typical devotions are date specific approximately same in length and the messaging while definitely powerful are written in a more casual easy digestible format Moments with the Master is numbered by day 1 366 allowing it to be started any time during the year and was written to provoke contemplation with the Lord Deep in consideration readable in style Moments with the Master will encourage love and good deeds as well as embolden believers to the Great Commission Oh how grand it would be if we all approached the complex issues facing politicians and society today with a heart that asked How is this response pleasing to the Father We would touch the environment with trembling hands for it is His creation We would protect the sanctity of life for it is His domain We would mete out judgment for violating laws for He is just We would tend the homeless and hungry for He is compassionate We would live a Christ centered morality for He is holy We would better allocate our wealth and position for His worth is beyond measure All these things we would do even if it costs us or our lives for He is greater even than death **Windings of the River of the Water of Life, in the development, discipline, and fruits of faith** George Barrell CHEEVER,1850 **Christian Treasury** ,1852 *The Manifesto of Evolutionary Cosmic Humanism* Bhagirath Choudhary,2025-01-15 **Heavenly Places.
