Five Children And It Chapter:

Five Children and It E. Nesbit, 2019-06-17 First published in 1902 *Five Children and It* is a children's novel by English writer and poet E. Nesbit. The story follows the five children Cyril, Anthea, Robert, Jane, and the Lamb and their adventures resulting from the discovery of a sand fairy that has the ability to grant wishes. A charming tale of youth and innocence, *Five Children and It* would make for perfect bedtime reading and is not to be missed by fans and collectors of Nesbit's magical children's literature. Originally published in *Strand Magazine*, the tales were made into a full-length novel trilogy also including *The Phoenix and the Carpet* (1904) and *The Story of the Amulet* (1906). Edith Nesbit (1858-1924) was a prolific writer of children's literature, publishing more than 60 such books under the name E. Nesbit. She was also a political activist and co-founded the Fabian Society, which had a significant influence on the Labour Party and British politics in general. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition, complete with a specially commissioned new biography of the author.

[Five Children and It, The Phoenix and the Carpet, and The Story of the Amulet](#) E. Nesbit, 2019-06-17 This glorious collection of vintage children's stories by Edith Nesbit features all three books from the Psammead trilogy: *Five Children and It*, *The Phoenix and the Carpet*, and *The Story of the Amulet*. The fantastical tales revolve around five children: Cyril, Anthea, Robert, Jane, and their baby brother known as The Lamb, named after his first word was Baa. In the first story, the children discover a Psammead or Sand Fairy while on holiday in the countryside. The fairy can grant the children one wish a day, resulting in many magical adventures, often with hilarious results. The adventure continues in the two following stories, and with the aid of magical elements like a flying carpet and a time-travelling amulet, there's no shortage of mischievous antics for the three siblings. Immerse yourself in a world of magic with these three classic children's stories by E. Nesbit brought back to life in this beautiful volume. Treasured for decades past and a perfect addition to any bookshelf, this edition by Read Co. Books will bring joy to young and old readers alike.

[Five Children and It](#) Edith Nesbit, 2005-02 A fully illustrated chapter book with all the excitement, adventure, and magic of the stunning movie based on the children's literary classic by E. Nesbit. With full-colour pictures throughout, a brand-new chapter book based on the magical movie. Cyril, known as Squirrel; Anthea, known as Panther; Robert, Jane, and their baby brother Hilary, known always as the Lamb, are the Five Children. With their father away at war and their mother nursing the wounded, these five siblings are sent to stay with their uncle in a strange house by the sea. There they meet eccentric Uncle, slightly crazy housekeeper Martha, and evil scientist in the making cousin Horace. While exploring, the children dig up an ill-tempered, mischievous 8,000-year-old Psammead or sand fairy who reluctantly grants them one wish a day. But the consequences are never quite what the children intended. Blending magic, fun, and perilous exploits, this all-action adventure story proves that the magic of wishes isn't as strong as the power of family.
