Ingenious Women From Tincture Of Saffron To Flying Machines:

Ingenious Women Deborah Jaffé, 2003 This delightfully illustrated book examines inventions and discoveries made by women beginning with the first patent application made in 1637 and ending with the outbreak of war in 1914 Lively accounts of the stories of the inventions are placed into the context in which their discoveries were made and the struggle they had to acquire patents and put their inventions into production In covering this previously obscure part of women's lives the practical way in which women have made an enormous contribution to social change and scientific advance is revealed

In the Bag! Monica Kulling, 2013-08-06 Tundra's Great Idea Series are early reader biographies The third book in the series introduces the fascinating Margaret Knight Known as Mattie she was different from most American girls living in 1850 She loved to make things with wood and made the best kites and sleds in town Her father died when she was only three and by the time she was twelve she was working at the local cotton mill alongside her two older brothers One day she saw a worker get injured by a shuttle which had come loose from the giant loom and the accident inspired her to invent a stop motion device It was to be the first of her many inventions Margaret devoted her life to inventing and is best known for the clever practical paper bag When she died in 1914 she had ninety inventions to her name and over twenty patents astounding accomplishments for a woman of her day Monica Kulling deftly uses easy to read language and lots of dialogue to bring an amazing inspiring woman to life

Ingenious Women, 2009 WIPO Magazine, 2005 **Her Story** Charlotte S. Waisman, Jill S. Tietjen, 2008-04 Her Story is a vivid documentation of the breadth and diversity of American women's achievements throughout U S history This one of a kind illustrated timeline highlights the awesome varied and often unrecognized contributions of American women since the 1500s There have been women trailblazers throughout American history women have had a profound impact on the intellectual social and political development of our society But many of their contributions have gone unnoticed Most people have heard of Susan B Anthony Harriet Tubman Margaret Sanger and Eleanor Roosevelt But did you know that a woman microbiologist discovered the bacterium responsible for undulant fever which then led to the pasteurization of all milk Or that a woman patented the paper bag folding machine to make square bottom bags the grocery bag Or that a female mathematician's work laid the foundation for abstract algebra The women featured in Her Story range from writers artists actors and athletes to doctors scientists social and political activists educators and inventors and include women of all backgrounds and philosophies The authors of Her Story Charlotte S Waisman and Jill S Tietjen have compiled an

extraordinary collection of women and events that provides a unique view of history Part of Her Story s distinctiveness is the inclusion of hundreds of lesser known women from all walks of life who have broken barriers and created paths of noteworthy and inspiring achievement In her Foreword to the book Madeleine Albright comments Spanning the centuries from 1587 this book will allow women and men to become more aware of and informed about the women who have been instrumental in giving us the quality of life we enjoy today Often stepping outside of the expected modes of behavior for women during their lives the profiled women were the pioneers for their causes their professions or their passions Their accomplishments have advanced the arts the sciences politics and business The timeline also includes snapshots of events and organizations that have shaped women s experiences and women s history and thereby the culture and history of America The familiar and unfamiliar stories that unfold here from Elizabeth Cady Stanton and the women s rights convention in Seneca Falls to chemist Stephanie Kwolek s invention of Kevlar the synthetic fiber used to make bulletproof vests make Her Story a captivating look at champions that will resonate with women and men alike
