

# The Parenting Pyramid

THE BEST POSITIVE PARENTING SOLUTION FOR MOMS

Correction is the smallest part of parenting

When correction doesn't work, look into the quality of your teaching.

When teaching is not working, look into your relationship with your child.

When your relationship with your child is struggling, look at your relationship with your spouse / partner / co-parent

The foundation of parenting and all your relationships is your own way of being: how you are as a person.
