Methods for Intercultural Communication Research William B. Gudykunst, Young Yun Kim, 1984-04 The methodology behind intercultural communication research has been largely neglected by scholars of intercultural communication The aim of this volume is to advance the study of intercultural communication and move away from the current abstract stage of development The editors have collected contributions which examine the skills necessary to have a firm grounding in general methodological issues research techniques statistics methods for doing comparative sociology and methods of traditional anthropology Essays also deal with problems arising from such research and the sociology of knowledge of intercultural communication as opposed to cross cultural communication Two features make this volume exceptional

The Global Intercultural Communication Reader Molefi Kete Asante, Yoshitaka Miike, Jing Yin, 2013-06-26 The Global Intercultural Communication Reader is the first anthology to take a distinctly non Eurocentric approach to the study of culture and communication In this expanded second edition editors Molefi Kete Asante Yoshitaka Miike and Jing Yin bring together thirty two essential readings for students of cross cultural intercultural and international communication This stand out collection aims to broaden and deepen the scope of the field by placing an emphasis on diversity including work from authors across the globe examining the processes and politics of intercultural communication

from critical historical and indigenous perspectives The collection covers a wide range of topics the emergence and evolution of the field issues and challenges in cross cultural and intercultural inquiry cultural wisdom and communication practices in context identity and intercultural competence in a multicultural society the effects of globalization and ethical considerations Many readings first appeared outside the mainstream Western academy and offer diverse theoretical lenses on culture and communication practices in the world community Organized into five themed sections for easy classroom use The Global Intercultural Communication Reader includes a detailed bibliography that will be a crucial resource for today s students of intercultural communication

Human Communication Research ,1986 **Handbook of International and Intercultural Communication** Molefi Kete Asante,William B. Gudykunst,Eileen Newmark,1989-05 Now in paperback this indispensable volume summarizes the state of the art in international intercultural and developmental communication and sets the agenda for future research It includes an overview of major theoretical and applied issues processes and effects in international and intercultural communication contexts and issues of conducting research on culture language and communication The volume frames the critical issues facing scholars studying language and communication stimulates new theoretical formulations demonstrates the application of diverse methods of research and provides the basis for finding solutions to critical issues facing the modern world

Theories in Intercultural Communication Young Yun Kim,William B Gudykunst,1988-10 Published in cooperation with the Speech Communication Association Division on International and Intercultural Communication Just as the earlier version of this work Intercultural Communication Theory helped to define the field Theories In Intercultural Communication also makes an important contribution This collection represents the major current approaches to the study of intercultural communication as well as of communication in general The contributors cover constructivist theory coordinated management theory convergence theory adaptation in intercultural relationships intercultural transformation and network theory The volume offers an analysis of the most current theories in intercultural communication It also points to areas of further research and the need for continued refinements of existing approaches This volume is valuable for graduate students and professionals in the areas of communication especially intercultural and interpersonal ethnic studies cross cultural studies comparative studies and education The book is well conceived in its purpose scope and organization It is also well executed with an even quality throughout Each chapter author clearly presents the theory and provides thorough documentation This volume promises to become a central piece in both the definition and development of theory in intercultural communication

Modern Language Journal This volume does represent a significant attempt to consolidate and crystallize the current intellectual core concepts of mainstream intercultural communications theories and to push the field forward toward a more rigorous and coherent state As a collection these essays cover a lot of the bumpy terrain that constitutes the field of intercultural communication from an interpersonal perspective Very useful in the context of a university course on intercultural communications Canadian Journal of Communication *Identity Research*

and Communication Nilanjana Bardhan, Mark P. Orbe, 2012-04-05 The concept of identity has steadily emerged in importance in the field of intercultural communication especially over the last two decades In a transnational world marked by complex connectivity as well as enduring differences and power inequities it is imperative to understand and continuously theorize how we perceive the self in relation to the cultural other Such understandings play a central role in how we negotiate relationships build alliances promote peace and strive for social justice across cultural differences in various contexts Identity Research in Intercultural Communication edited by Nilanjana Bardhan and Mark P Orbe is unique in scope because it brings together a vast range of positions on identity scholarship under one umbrella It tracks the state of identity research in the field and includes cutting edge theoretical essays some supported by empirical data and queries what kinds of theoretical methodological praxiological and pedagogical boundaries researchers should be pushing in the future This collection s primary and qualitative focus is on more recent concepts related to identity that have emerged in scholarship such as power privilege intersectionality critical selfhood hybridity diaspora cosmopolitanism queer theory globalization and transnationalism immigration gendered and sexual politics self reflexivity positionality agency ethics dialogue and dialectics and more The essays are critical interpretive postmodern postcolonial and performative in perspective and they strike a balance between U S and transnational views on identity This volume is an essential text for scholars educators students and intercultural consultants and trainers *Transcultural Realities* Virginia H. Milhouse, Molefi Kete Asante, Peter O. Nwosu, 2001-07-24 This text challenges the quantitative social science perspective on intercultural communication by examining critical issues from diverse perspectives Key topics include historical and religious perspectives racial and ethnic issues cross cultural adaptation and methods of researching other cultures The book takes a more critical cultural worldview of intercultural communication includes some of the major thinkers of the contemporary times including Molefi Kete Asante Ama Mazama Anthony Monteiro and Ali Mazrui is constructed so that professors and students of any cultural group might use it *Dynamics of Intercultural Communication* Carley H. Dodd, 1995 *Intercultural Communication* Deborah A Cai, 2009-11-20 Intercultural communication research finds its roots primarily in anthropology psychology and sociology However many intercultural communication scholars draw mostly from a relatively recent body of work Intercultural Communication represents both the classic works that set the foundation for the field as well as the more recent influential works The volumes examine a wider and more interdisciplinary range of literature that has influenced this field Journal of Education for Library and Information Science , 1991 Phenomenol Rhetoric Commun CB (Current Continental Research) Deetz, 1981 **Understanding Communication Theory** John F. Cragan, Donald C. Shields, 1998 Anyone who wishes to pursue a career in communication with groups needs this comprehensive book on the theories behind communication This volume provides practical engaging overviews of over 42 different theories that readers will need to be aware of if they are pursuing this serious field The authors established writers and scholars who are known as the park rangers of
