# Free Love Marriage And Middle Class Radicalism In America 1825 1860

**American Historical Association**

## **Free Love Marriage And Middle Class Radicalism In America 1825 1860:**

Free Love John C. Spurlock,1988      American Sexual Histories Elizabeth Reis,2012-01-17 The second edition of American Sexual Histories features an updated collection of sixteen articles and their corresponding primary sources that investigate issues related to human sexuality in America from the colonial era to the present day Fully updated with ten new chapters featuring recently published essays by prominent scholars in the field Provides readers with the source documents that historians have analyzed in their articles Allows readers to see how historians craft arguments based on available sources Encourages readers to evaluate historical documents test the interpretations of historians and draw their own conclusions

**Men in the American Women's Rights Movement, 1830-1890** Hélène Quanquin,2020-11-29 This book studies male activists in American feminism from the 1830s to the late 19th century using archival work on personal papers as well as public sources to demonstrate their diverse and often contradictory advocacy of women s rights as important but also cumbersome allies Focussing mainly on nine men William Lloyd Garrison Wendell Phillips James Mott Frederick Douglass Henry B Blackwell Stephen S Foster Henry Ward Beecher Robert Purvis and Thomas Wentworth Higginson the book demonstrates how their interactions influenced debates within and outside the movement marriages and friendships as well as the evolution of self definitions of masculinity throughout the 19th century Re evaluating the historical evolution of feminisms as movements for and by women as well as the meanings of identity politics before and after the Civil War this is a crucial text for the history of both American feminisms and American politics and society This is an important scholarly intervention that would be of interest to scholars in the fields of gender history women s history gender studies and modern American history

*CQ Press Guide to Radical Politics in the United States* Susan Burgess,Kate Leeman,2016-03-11 This unique guide will provide an overview of radical U S political movements on both the left and the right sides of the ideological spectrum with a focus on analyzing the origins and trajectory of the various movements and the impact that movement ideas and activities have had on mainstream American politics The work is organized thematically with each chapter focusing on a prominent arena of radical activism in the United States The chapters will trace the chronological development of these extreme leftist and rightist movements throughout U S history Each chapter will include a discussion of central individuals organizations and events as well as their impact on popular opinion political discourse and public policy For movements that have arisen multiple times throughout U S history nativism religious radical labor separatists the chapter will trace the history over time but the analysis will emphasize its most recent manifestations Sidebar features will be included in each chapter to provide additional contextual information to facilitate increased understanding of the topic

**Horace Greeley's New-York Tribune** Adam-Max Tuchinsky,2009 Historians and biographers have struggled to reconcile these seemingly contradictory tendencies Tuchinsky s history of the Tribune by placing the newspaper and its ideology squarely within the political economic and intellectual climate of Civil War era America illustrates the connection

between socialist reform and mainstream political thought It was democratic socialism favoring free labor and bridging the divide between individualism and collectivism that allowed Greeley s Tribune to forge a coalition of such disparate elements as the old Whigs new Free Soil men labor and staunch abolitionists This progressive coalition helped ensure the political success of the Republican Party Indeed even in 1860 proslavery ideologue George Fitzhugh referred to socialism as Greeley s lost book The overlooked but crucial source of the Tribune s and by extension the Republican Party s antagonism toward slavery and its more general free labor ideology

*Evolutionary Rhetoric* Wendy Hayden,2013-02-14 In *Evolutionary Rhetoric* scholar Wendy Hayden provides a comprehensive examination of the relationship between scientific and feminist rhetorics in free love feminism studying the movement from its inception in the 1850s to its dark turn toward eugenics in the early 1900s Hayden organizes her provocative study by scientific discipline evolution physiology bacteriology embryology and heredity Each chapter explores how free love feminists adopted the evidence of that discipline in their arguments for increased sex education women s sexual rights reproductive freedom and the abolition of a marriage system that repressed the rights and the sexuality of women Hayden takes our conventional understanding of the relationship between nineteenth century feminism and science and expands it The author provides examples of the powerful words of free love feminists to show exactly how these exceptional women used science as a rhetorical platform to promote feminist and often radical social reforms Considering why the free love movement has not yet been studied Hayden also discusses how the recovery of this movement may impact larger goals in the recovery of women s rhetoric This important and timely study of a long forgotten movement adds to our understanding of the complexities of the history of feminism

**Mordecai** Emily Bingham,2004-05-03 *An Intimate Portrait of a Jewish American Family in America s First Century* Mordecai is a brilliant multigenerational history at the forefront of a new way of exploring our past one that follows the course of national events through the relationships that speak most immediately to us between parent and child sibling and sibling husband and wife In Emily Bingham s sure hands this family of southern Jews becomes a remarkable window on the struggles all Americans were engaged in during the early years of the republic Following Washington s victory at Yorktown Jacob and Judy Mordecai settled in North Carolina Here began a three generational effort to match ambitions to accomplishments Against the national backdrop of the Great Awakenings Nat Turner s revolt the free love experiments of the 1840s and the devastation of the Civil War we witness the efforts of each generation s members to define themselves as Jews patriots southerners and most fundamentally middle class Americans As with the nation s their successes are often partial and painfully realized cause for forging and rending the ties that bind child to parent sister to brother husband to wife And through it all the Mordecais wrote letters diaries newspaper articles books Out of these rich archives Bingham re creates one family s first century in the United States and gives this nation s early history a uniquely personal face

**Feminist Eugenics in America** Susan Marie Rensing,2006  
*Grassroots Feminists* Joanne Ellen Passet,1999 **The Pivot of the Mechanism** Kathryn Manson Tomasek,1995

*Women's Rights in the United States* Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women's rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women's activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights Library Journal ,1988-07
