Having Respect for Faith Bishop John Stevenson, 2022-01-31 Some would ask What is faith when the real question is Who and not what The Bible says faith is the substance of things hope for and the evidence of things not seen Hebrews 11 1 But here s what faith isn t Faith is not a concept or idea Faith is a person and His name is Jesus Christ Just as God is love according to the word of God Jesus is faith according to the word of God The Bible says that faith comes by hearing and hearing by the word of God Romans 10 17 It which is the word of God not only reveals that the word was made flesh and dwelt amongst us but that His name is the word This book will also testify of the coming of faith who was sent by His Father This writing is to share the wonderful revelation of not what but who faith is In lieu of this revolution one must come away with a different perspective because what we see matters and our perception is

everything How we perceive a thing determines how we conceive a thing How we conceive a thing will in fact determine how I believe a thing and how we believe a thing will determine how we receive a thing Upon the revealing of faith being a person we must come to the conclusion that we cannot benefit from someone we have not respect for The scriptures tell us that Jesus s own people perceived him not John 1 11 That is because they had the wrong perception of who He was With wrong perceiving comes wrong conceiving which produces wrong believing This makes it almost impossible to receive from someone we ve placed in such regard Our faith and belief in a person or a group of people will always determine our level of respect for them Here is the conclusion of the whole matter We cannot benefit from someone we have not respect for One must respect one s position if they are going to benefit from the power of that position Therefore if you intend to draw from the blood that flows through Emmanuelle s veins respect for Emmanuelle is definitely required [Finding Faith](#) John Simmons,2015-10-22 Our sin nature is designed to talk us out of Gods promises To separate ourselves from our sin nature and follow the path God laid out for our lives we will need to rely on faith Finding Faith will share the keys of faith we need to use to unlock all of Gods promises for our lives Finding Faith is a guide to equip us with the knowledge and understanding of how God designed faith as a tool we can use to change the future of our lives Faith is special to God and it is the only currency we have to see His will done in our lives When we find faith for Gods will to be done in our lives we will not be worried about our circumstances because we are so confident in God to take care of all our troubles In Finding Faith John Simmons uses scripture and his engaging testimony to lay out a foundation for understanding the concepts of faith John also outlines practical application that we can use today to mature in our faith Finding Faith will answer all the basic questions about faith but goes onto explore how Our level of faith is measured by how we see our future We will find joy in our lives when we find faith The faith we learn from our relationships will increase our faith in God To overcome adversity doubt and our past through faith To recognize if we are walking in faith God answers our faithful prayers and much more [Your Faith Can Make You Whole](#) Moss Ph.
