District 2 Meet • 2015

You are a reporter for the Leaguetown Press, the student newspaper of Leaguetown High School.

From the given information, write a feature story as you would for the high school newspaper. You may use statements attributed to individuals as **direct** or **indirect quotes**. You may not change the meaning of a statement. You have **one hour**.

Leaguetown High School has an enrollment of 2,100 students in grades 9-12. On Monday, April 6, Charita Abraham enrolled her 18-year-old daughter Tanisha at the high school. For the past six years, Tanisha's mother home-schooled her but decided Tanisha needed a broader perspective in her education and began investigating school choices. In March, her mother spoke with school officials, who suggested Tanisha enter the fifth grade at Carter Elementary in the district. Tanisha's mother thought her daughter was more advanced and asked the district to test her. The district did, and Tanisha passed all exit tests through the 10th grade. District officials were shocked but decided that, if the Abrahams agreed, Tanisha should enroll as a sophomore.

Tanisha is the youngest sophomore ever to attend LISD schools. She also may be the smallest at 4-foot 3 inches and 63 pounds. Tanisha is taking advanced core classes, theater arts and photography. On Friday, May 1, she will be featured on a PBS (Public Broadcasting Service) called "Little Geminis." You are writing for the issue of the Press to be distributed on Monday, April 13.

## ■ TANISHA ABRAHAM, sophomore

"So far the classes are not too hard. The hardest part has been lugging my backpack every day. It's so heavy. Some days I feel like I am going to rip over. I hope we switch to textbooks on iPads next year. Seriously though, everything has been great. All of the students have been really nice to me, and the teachers are awesome. I love my mom, and she's a good teacher. But the same teacher for eight hours a day for six years gets a little boring. She was aware of that, and that's one of the main reasons I am here. She wanted me to have a more diverse experience. My mom has two doctorates — one in physics and one in English literature so she could have taught me everything I need. She couldn't give me the social experiences though. We did take a multitude of field trips and mixed with other home-schooled students, but I never built relationships with anyone other than my mom. I have only been here for a few weeks, and already I have three friends.

"Learning has always come easy to me. My mom says I was reading at age 2. I
