With a Foreword by Menachem Begin
THE FOUR-FRONT WAR

The Most Daring Rescue Operation of the Century...

CROWN

As a war correspondent who watched the tragic story unfold in the streets of Palestine during World War II, I might have written a book that would have been the most honest and accurate account of the rescue of the Jews in Europe and in Palestine during the Second World War. The lessons of the Four-Front War remain as valid today as they were when they were first written. This book deserves to be read and read again. It is a masterpiece of historical writing and a masterpiece of journalism. It is a masterpiece of the human spirit.
