[The Marriage of Heaven and Hell](#) William Blake,2016-09-19 *The Marriage of Heaven and Hell* by William Blake *The Marriage of Heaven and Hell* is a book by the English poet and printmaker William Blake It is a series of texts written in imitation of biblical prophecy but expressing Blake s own intensely personal Romantic and revolutionary beliefs Like his other books it was published as printed sheets from etched plates

containing prose poetry and illustrations The plates were then coloured by Blake and his wife Catherine Blake s theory of contraries was not a belief in opposites but rather a belief that each person reflects the contrary nature of God and that progression in life is impossible without contraries Moreover he explores the contrary nature of reason and of energy believing that two types of people existed the energetic creators and the rational organizers or as he calls them in *The Marriage of Heaven and Hell* the devils and angels Both are necessary to life according to Blake Blake s text has been interpreted in many ways It certainly forms part of the revolutionary culture of the period The references to the printing house suggest the underground radical printers producing revolutionary pamphlets at the time Ink blackened printworkers were comically referred to as a printer s devil and revolutionary publications were regularly denounced from the pulpits as the work of the devil

*The Marriage of Heaven and Hell* William Blake,192? **The Marriage of Heaven and Hell (In Full Color)** William Blake,2021-07-08 A visionary of eighteenth century English art William Blake was largely unknown during his own lifetime and often rejected as a madman for claims of hearing voices and later having visions Since his death Blake has achieved enduring fame for his innovative and extraordinary work and is widely viewed as one of the most important of all English artists Created between 1790 and 1793 *The Marriage of Heaven and Hell* is considered by many to be one of his most original and inspired books Written largely in criticism of Emanuel Swedenborg s 1758 work *Heaven and Hell* which argued in favor of a strict moral structure and a clear distinction between good and evil Blake instead viewed the world as unified where both the heaven of the physical world and the hell of desire and passion were all part of the same divine plan Written in the form of imaginary Biblical prophecies Blake created a world where contradictory impulses and emotions are all necessary parts of existence and where each person must embrace these paradoxical characteristics of human nature in order to progress in life The result of Blake s vision is a dynamic and thought provoking masterpiece from one of history s most eccentric and brilliant artists This edition is printed on premium acid free paper and reproduces one of the first set of plates in full color along with a complete transcription of the poem

**The Marriage of Heaven and Hell** William Blake,2021-01-22 William Blake was born in London to a working class family His father a hosier provided for his training in drawing and engraving practical skills which he would use to support himself and his wife Catherine for the rest of his life One of six children Blake claimed to have received angelic visitations and other visionary experience even as a child After his brother Robert s death William said that Robert often appeared to him providing him with practical information such as an acid wash engraving system that William used to produce his illuminated or illustrated works including *The Marriage of Heaven and Hell* Never financially successful as an artist or writer he was often reduced to drudge work such as engraving drawings for the catalog of the Wedgwood China Company From 1800 to 1803 Blake received the patronage of minor poet William Hayley however the experience proved bitter and demeaning to the independent minded Blake During this period the fiery tempered Blake was also accused of treason after evicting a drunken soldier from his garden with the epithet God d the

King Blake who was eventually acquitted of the charge transmuted the twin ordeal of patronage and accusation into his masterpieces *Vala or The Four Zoas* wr 1795 1804 pb 1963 best known as *The Four Zoas* and *Jerusalem The Emanation of the Giant Albion* 1804 1820 Two concepts are key to understanding *The Marriage of Heaven and Hell* and Blake's idiosyncratic form of Christianity First as articulated in his classic *Songs of Innocence and of Experience* 1794 is the notion of contraries or opposing forces similar to the Daoist notion of yin and yang Blake saw all life as a necessary interplay of opposites *The Argument of The Marriage of Heaven and Hell* applies this notion of the contraries to orthodox Christian dogma As *Without Contraries is no progression Attraction and Repulsion Reason and Energy Love and Hate* are necessary to Human existence

**The Marriage of Heaven and Hell: William Blake** William Blake, Sibylle Erle, Jason Whittaker, 2025-11 One of William Blake's most inspired and influential books now stunningly reproduced in a beautiful facsimile Among the beautiful and striking illuminated books etched and printed by William Blake *The Marriage of Heaven and Hell* stands out Written in 1790 at the beginning of the French Revolution it represents Blake's first attempt to create a new system of art poetry and philosophy declaring himself on the side of the devils in a world that was being turned upside down Although not as well known as *The Songs of Innocence and of Experience* it has strong echoes throughout pop culture and is arguably more influential on later generations of writers thinkers and even musicians from Aldous Huxley drawing on it as a key text to opening the doors of perception which in turn gave the *Doors* their name through to figures as diverse as Salman Rushdie Benjamin Britten Olga Tokarczuk and Keith Haring Blake's writing and art immediately throws the reader into a fantastical and surrealist landscape where the protagonist converses with angels who have thrown their lot in with revolutionary hell or chats happily with prophets and devils about the nature of God the universe and everything The gloriously illustrated edition which opens with a poem and takes the form of prose thereafter is both a humorous satire on religion and morality and expresses Blake's essential wisdom and philosophy Produced as a beautiful facsimile with a new illuminating introduction this is a special and thought provoking gift book
